Dear Municipal Official:

We have reviewed your ordinance for the municipal adoption of the Uniform Dwelling Code (UDC) and found it acceptable. It does need revising under section 15-1-3(d) (1) to indicate that since your town is enforcing the UDC, that all inspectors must be properly certified. Enclosed is sample language that you can use. Please send a corrected ordinance as soon as it is adopted.

You may begin enforcing the UDC per its administrative requirements. Your previous UDC Material Order has been processed. A UDC seal must be assigned to each new dwelling. (Please note your municipality number above when completing the order form.) The yellow copy of the building permit application, on which the seal number is indicated, must be forwarded to us within 30 days of issuance. Finally, all inspections must be performed by properly certified inspectors.

Feel free to contact me if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'TK' or similar initials.
